COBB COUNTY DEPARTMENT OF TRANSPORTATION

Childers Road Safety and Operational Improvements Cobb Project No. D6060

2nd Public Information Open House November 6, 2008

- BACKGROUND:** The purpose of this project is to provide safety and operational improvements to Childers Road through the addition of turning lanes, sidewalk and improving all substandard horizontal and vertical curves to meet the design criteria for 35 mph.
- PROJECT LIMITS:** The limits of the Project extend from Shallowford Road to the Cobb/Fulton County line in Cobb County.
- PROJECT LENGTH:** The length of this project is 0.90 miles
- PROJECT SCOPE:** The project consists of the addition of a 5 foot sidewalk on the north west side of the road and left and right turn lanes at some locations along the corridor. The horizontal and vertical alignment of the road will be improved to meet design criteria for 35mph.
- CHANGES SINCE THE 1st PIOH (7/17/08):** The right turn lane into Kettering Drive has been removed. Left turn lanes for Kettering Drive and Johnson Ferry Road have been shortened. The right turn lane into Garrards Crossing has been shortened.
- PROJECT SCHEDULE:** Right-of-Way: Spring 2010
Construction: Summer 2010
