

Cobb County...Expect the Best!

Barrett Parkway Thoroughfare Improvements

Cobb County Project No. D4010

Project Description:

The purpose of the project is to improve capacity to address current and future traffic demands along Barrett Parkway. The consideration is to widen the existing four-lane divided highway to a six-lane divided highway in order to improve the traffic operations, and overall efficiency of the road. In addition, a 10' wide multi-use trail is proposed adjacent to the roadway on the west side between Old 41 Highway and Cobb Parkway and along the east side between Stilesboro Road and Old 41 Highway.

The project study limits are from Dallas Highway/SR 120 to North Cobb Parkway/US 41. Due to the fiscal constraints, phased improvements will be needed, with the first phase being funded through the current 2005 Special Purpose Local Option Sales Tax (SPLOST).

Phase one will consist of the Barrett Parkway widening from Stilesboro Road to North Cobb Parkway/US 41/SR 3. In addition, the Barrett Parkway at Burnt Hickory Road intersection improvement is included along with the New Salem Rd and Mt. Calvary Road intersections with Burnt Hickory Road.

The design speed will remain 45 mph, and 11' lanes are being proposed in an effort to minimize the roadway impact to adjacent properties.

Traffic Volumes:

Location	Year 2013 (ADT)	Year 2030 (ADT)
Barrett Parkway	46,000	54,600

ADT = Average Daily Traffic

Historical Accident Data (Frequency):

Location	Year 2005	Year 2006
Barrett Parkway	184	192

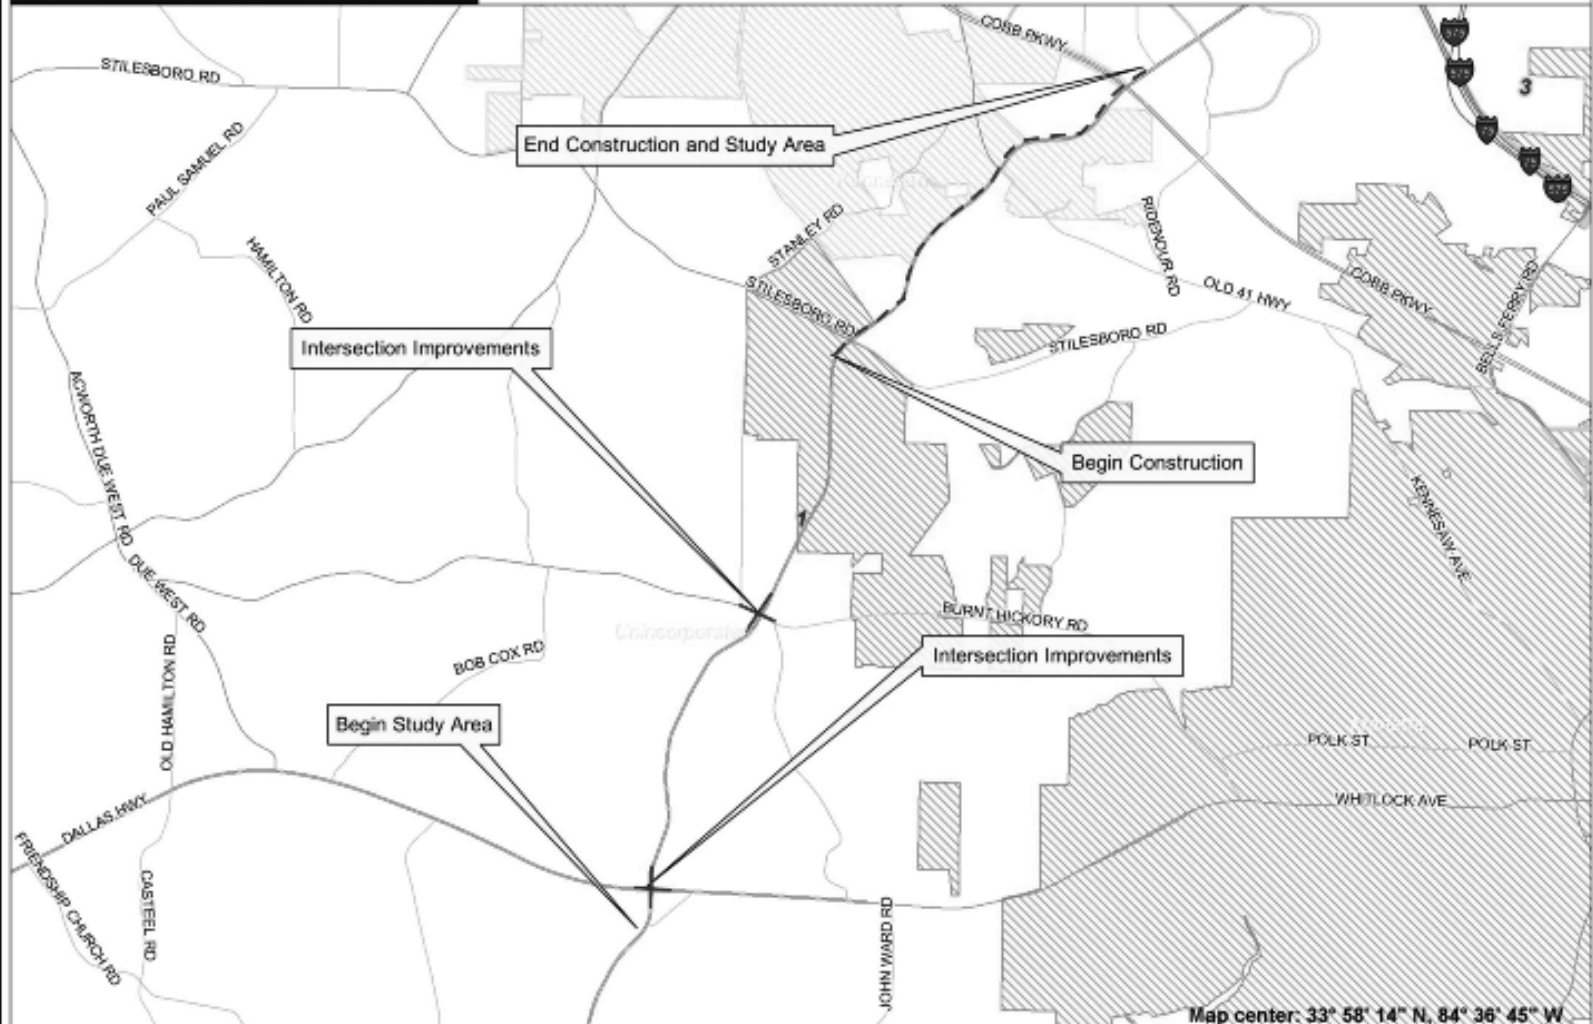

Approximate Schedules:

Barrett Parkway from Stilesboro Rd to North Cobb Parkway/US 41	Start	Finish	Approx Term (months)
Design & Environmental Permitting	October 2008	April 2010	18
Right-of-Way Acquisition	June 2009	June 2010	12
Construction	August 2010	August 2012	12

Barrett Parkway at Burnt Hickory Road including New Salem Road and Mt. Calvary Road	Start	Finish	Approx Term (months)
Design	October 2008	April 2009	7
Right-of-Way Acquisition	March 2009	June 2009	4
Construction	July 2009	July 2010	12
