Cobb County...Expect the Best!

Cobb County Department of Transportation

- Planning
- Engineering
- Operations
- Transit
- Airport

Cobb County Department of Transportation develops, manages, and operates the county's transportation systems.

These systems include a vast network of roadways, sidewalks, and pathways; a transit system that provides public transportation services; and a general aviation airport that serves business and recreational flying needs.

PLANNING

Tracks development and population patterns to project future transportation needs and develop strategies to address those needs. Division activities include comprehensive multimodal transportation planning, communications and grant development.

PLANNING DIVISION MANAGER

Laraine Vance, 770-528-1650
lvance@cobbcounty.org

TRANSIT

Manages Cobb Community Transit (CCT) which is the county's public transportation system - including paratransit services for citizens with disabilities. This division oversees the daily operations of CCT and plans for system enhancement and expansion.

TRANSIT DIVISION MANAGER

Rebecca Gutowsky 770-528-1610
rebecca.gutowsky@cobbcounty.org

ENGINEERING

Develops designs for transportation improvements including roadway, pedestrian and infrastructure upgrades. Acquires right-of-way and manages construction of projects. Utilizes GIS information for concepts and presentations. Coordinates with regional agencies to implement improvements.

ENGINEERING DIVISION MANAGER

Bob Galante, 770-528-1621
bob.galante@cobbcounty.org

AIRPORT

Exercises operational control and management of Cobb County Airport - McCollum Field. This division also initiates and implements programs to enhance the safety and efficiency of the facility.

AIRPORT DIVISION MANAGER

Karl Von Hagel, 770-528-1615
karl.vonhagel@cobbcounty.org

OPERATIONS

Operates and maintains the county's roadway systems, pavement markings, signs and right-of-way infrastructure. This division also maintains the Advanced Traffic Management System (ATMS).

OPERATIONS DIVISION MANAGER (VACANT)

TRAFFIC SIGNAL SYSTEMS MANAGER

Joe Fletcher, 770-528-1684
joe.fletcher@cobbcounty.org

TRANSPORTATION MAINTENANCE SUPERINTENDENT

Bill Shelton, 770-528-3686
bill.shelton@cobbcounty.org

- The Operations Division maintains over 2,500 miles of roadway in Cobb County (approximately 8,800 streets) and 523 traffic signals
- CCT offers 8 express service routes to Atlanta and 14 local bus routes
- There are over 440 bridges and culverts maintained by Cobb County, including the historic Concord Covered Bridge
- McCollum Airport's runway, at 6,305 ft, is one of the longest general aviation runways in the state of Georgia
- There are 70 miles of trails throughout Cobb County, which includes 17 miles on the Silver Comet Trail
- The Traffic Control Center monitors traffic conditions on roadways and interstates throughout Cobb County with over 100 Closed Circuit TV cameras.
